ABOUT AMET

Academy of Maritime Education and Training (AMET) is the first Deemed to be University in Maritime Education, recognized by the Ministry of Education, Govt. of India under de novo category. AMET is a pioneering University with membership in International Association of Maritime Universities (IAMU), Japan. AMET is ranked fifth among the Maritime Universities of World in PIMET (Performance Indicators in Maritime Education and Training) Ranking of the IAMU. AMET has been accredited with “Grade A (II Cycle)” by National Assessment and Accreditation Council (NAAC). The Directorate General of Shipping (DGS), Government of India has awarded Grade A1 (Outstanding) through Comprehensive Inspection Programme (CIP) for the past five consecutive years. AMET has so far produced more than 24,000 graduates who are occupying indispensable positions in the shipping; allied industries and service sectors all over the World. AMET is equipped with excellent infrastructure and ICT enabled education tools and facilities for teaching, training, research and development, co-curricular and extracurricular activities. AMET has strong International and National collaborations with renowned industries and academia which in turn enhances on-campus placements for students and cadets across all disciplines

VISION

To sustain identity as a World Class Leader in Maritime Education and empower learners with wholesome knowledge through progressive innovation in training, research and development which will render students a unique learning experience and a transformation impact on the Global Society.

MISSION

AMET will strive continuously to Impart value-based higher education and technical knowledge with uncompromising strides of an outstanding quality.

Emerge as a Centre of Excellence inculcating skill development in recent technologies in accordance with industrial trends. Create world class research capabilities on par with the finest in the world and broaden student's horizons beyond classroom education. Nurture talent and entrepreneurship to enable all round personality development among students. Empower students across socio economic strata. Make a positive difference to society through technical education

ABOUT THE DEPARTMENT

The Department of Nautical Science at AMET UNIVERSITY was established in 2007 to meet the international demand for certified and educated manpower in the field of Nautical science. This Department offers a bachelor's degree in nautical science. The primary goal of our department is to train successful navigating officers as a 'Seafarer' who can be competent, innovative and productive in addressing the needs of the Shipping Industry, Grow professionally with the knowledge and proficiency skills throughout the career. Acquire a high standard of ethical conduct, safety culture, positive attitude, and societal responsibilities to nurture and develop capable trainee Nautical Officer cadets who have the skills and capacity to accept and shoulder responsibilities when they arise. Our students are actively encouraged to undertake challenging projects and participate in extracurricular activities, fostering holistic development. Our mission is to nurture capable Nautical Officer cadets prepared to handle challenges and responsibilities. At AMET University, we deeply value our partnerships with industries, institutions, alumni, and well-wishers, enriching our educational environment.

VISION

To keep the curriculum updated with the latest international and national requirements to meet the standards for training certification and watch keeping convention as amended.

MISSION

To be a source of best practices that will deliver uncompromising technical competency and professional excellence. To embrace emerging technologies in a seamless manner and integrate it progressively to our curriculum.

ABOUT THE EVENT

NAVINAUTICS 2026 – *where innovation meets the waves globally!*

AMET University's Department of Nautical Science proudly presents **NAVINAUTICS 2026**, an international maritime extravaganza bringing together cadets, professionals, and enthusiasts from across the world. With participation from leading universities and maritime institutions, this grand event stands as a global celebration of knowledge, skill, and collaboration within the maritime community.

NAVINAUTICS 2026 is more than an event—it is a voyage into the spirit of maritime excellence. It offers a vibrant platform for aspiring mariners to showcase their technical expertise, problem-solving abilities, teamwork, and creativity through dynamic, real-world-inspired challenges and competitions.

This year's edition will feature 22 diverse and captivating sub-events that embody every facet of maritime training, sportsmanship, and culture.

From core nautical contests such as seamanship, celestial sight, firefighting, and voyage planning to exciting challenges like wave rush, boat rowing, and other athletic trials, each competition is designed to test endurance, precision, and leadership. The event also celebrates creativity and expression through cultural performances, fashion walks, bodybuilding, and more—capturing the perfect balance between discipline, artistry, and spirit.

As an international platform, **NAVINAUTICS** promotes creativity, collaboration, and harmony among cadets and maritime professionals alike. It enhances practical knowledge, strengthens global connections, and encourages cooperation beyond borders. Participants not only gain hands-on exposure to authentic maritime practices but also experience the excitement of competition, the richness of cultural diversity, and the unity of the worldwide maritime fraternity.

JOIN US AT AMET UNIVERSITY FOR NAVINAUTICS 2026

A GRAND INTERNATIONAL GATHERING WHERE LEARNING, ADVENTURE,
AND PASSION SAIL TOGETHER TOWARD A BRIGHTER MARITIME
HORIZON.

THEME OF THE EVENT

“ THE MARITIME ODYSSEY ”

-A Voyage of Skill, Strength & Spirit-

Inspired by legendary sea voyages, The *Maritime Odyssey* portrays **NAVINAUTICS** as a transformative journey where cadets embark on an expedition of *learning, endurance, and innovation*. Each event represents a challenge faced at sea—testing technical *expertise, physical resilience, teamwork, and creativity*. Through trials and triumphs, participants evolve as future mariners, reflecting the real-life journey of navigating uncertainties, mastering skills, and emerging as confident leaders of the maritime world.

PROGRAM SCHEDULE

25.02.2026 (WEDNESDAY)

DAY 01
